Congratulations on being the proud owner of a Ford Mustang! Please let us take a few moments to tell you about our history. Four local Mustang enthusiasts created the Emerald Coast Mustang Club in 1987 as an informal social group. In 1989, we were officially sanctioned as a non-profit organization by the State of Florida. Then in 1995, we were officially recognized and adopted as a regional group by the Mustang Club of America. The Emerald Coast Regional Mustang Club represents all model mustangs from 1964 ½ to present! Since 1987 we have grown to over 50 members! Our members all share a common love for the Mustang car, its enjoyment, preservation, and history.

The Emerald Coast Regional Mustang Club holds an annual car show and participates in local fundraisers. The funds that we collect are donated to several local charity organizations: American Cancer Society, Sharing and Caring, Silver Sands School for the Handicapped Children, and other local charities.

Our membership dues are \$25 per year. Your welcome packet will include a club decal, membership card, and a whole stable full of fellow Mustangers ready to meet and welcome you and your family. Your membership card will entitle you to discounts at local companies and to receive a 10% discount on Mustang parts and accessories at Gary Smith Ford.

Our monthly meetings are held at the FL1-DMAT Building in Fort Walton Beach on the first Thursday of every month at 7:00 PM. We hold regular (at least once per month) "Social Gatherings and/or Fun Runs" to area attractions. These are great opportunities to come out and have a good time with fellow club members. Most of our activities are family oriented and family participation is encouraged. In addition, many ECRMC'ers participate and display their cars in regional car shows and do very well! The ECRMC is well represented on the local automotive scene.

Check out our website for tips on general maintenance and detailing, modifying, and restoring your pony. Many of our members possess special skills and are willing to offer their time, experiences, and services to fellow ECRMC'ers.

Now that you know a little about the Emerald Coast Regional Mustang Club, why not join us and become one of our growing herd? We invite you and your family to attend one of our functions as a guest to see what we're all about. We hope you'll decide to become actively involved as a member because participation is the foundation of the ECRMC. By the members, for the members! Thank you for your time.
